A Countdown to No on the Recall

Let's Get Out The Vote!

Women Against the Recall is partnering with statewide women's organizations to launch the Get Out the Vote (GOTV) campaign against the Recall. This effort will be powered by women throughout the state! Join us for a conversation with Governor Gavin Newsom, Congressmembers Karen Bass and Barbara Lee as well as other grassroots women's organizations on what we need to do to get out the vote. GOTV training will be provided by the California Democratic Party immediately following the event.

Please share this invitation far and wide with your network, friends, families, and colleagues!
