 - I. The right of a minor to have access to abortion services without notifying a parent or responsible adult.....(YES) (NO)

If the answer to any question above is “NO,” please explain:

For question C, Governor Hochul supports the right of a women to have her physician determine the best medical procedures and practices regarding reproductive health and abortion, subject to *current* federal law as it stands under *Roe v. Wade*. However, if the prevailing federal law is altered by the current, conservative U.S. Supreme Court, the Governor will stand in strong opposition to adaptations making it harder for people to receive safe, accessible reproductive care in the United States.

13. Have you supported and/or mentored any other women candidates? If so, please list:

Governor Hochul has consistently prioritized lifting up women in politics along the way, and is a firm believer in the Democratic Party’s responsibility to create a robust, diverse, and inclusive bench of candidates and elected leaders. She has regularly mentored, campaigned for, and contributed to women candidates across the state and has been a long time supporter of organizations such as EMILY’s List and others that specifically exist to level the playing field and help women candidates succeed.
